

Your monthly update from Hoylake Road Medical Centre

Welcome

to Hoylake Road Medical Centre's monthly newsletter, where we'll give you important updates and let you know what has been going on in the practice.

THIS MONTH'S UPDATES

1

Flu/Covid

Flu invites have been sent with appointments available from 1st October. Please book your appointment.

2

#OnlyOrderWhatYouNeed

The results are in - you saved 641,000 prescription medicines last winter across Cheshire and Merseyside.

Help us do it again this year - let's reduce waste, and save medicines, time and money for our local NHS. #OnlyOrderWhatYouNeed

See our social medias and website for more info.

3

Trainee GPs

We are a training practice meaning we will have trainee GPs with us. Trainee GPs are qualified doctors training to receive their specialist GP status. They work under the supervision of one of our GPs the whole time they're with us and their patients will be reviewed by our GPs as needed.

KEY REMINDERS

Repeat prescriptions - #OnlyOrderWhatYouNeed

Appointment reminders - Please let us know if you are no longer able to attend your appointment

Keep contact details updated

Contact 111 for non-urgent medical advice during practice closure

UPCOMING DATES

- 10th September - 1pm - 6:30pm closed for training.

Blinx PACO

Please note that we're unable to take appointment requests over the phone. Please submit a request via Blinx PACO and this will be triaged by a GP and then admin will contact you on the same day as your request.
